

EDUCATION

- 2026 – Present **University of California, Irvine**
Ph.D. Informatics
- Advisor: *Daniel Epstein*
 - Research Areas: Human-computer interaction, personal health informatics, social computing
- 2024 – 2025 **Washington University in St. Louis**, St. Louis, MO
M.S. Computer Science
- Dissertation: *Precision, Simplicity, Appeal: Decoding the impact of visual design in public service announcements*
 - Committee: Alvitta Ottley (advisor), Caitlin Kelleher, Chien-Ju Ho
- 2021– 2024 **Washington University in St. Louis**, St. Louis, MO
B.S. Computer Science
- Minors: Human-Computer Interaction, Psychology
 - Awards/Honors: 5x Dean’s list, captain of varsity swim team, 3x University Athletic Association All-Academic
 - Extracurricular: WashU’s NCAA Division III Women’s Swimming and Diving

RESEARCH EXPERIENCE

- 2026 **Research Intern**, Adobe Research
GEM Fellowship
- Examined how AI image-generation interfaces can better support users in articulating and creating more creative images through suggestions and visual examples
 - Mentors: Subhojyoti Mukherjee, Branislav Kveton, Alexa Siu, Christine Dierk, Franck Deroncourt
- 2025 **Research Assistant**, Washington University in St. Louis
Visual Interface & Behavior Exploration Lab
- Studied how data visualization design in PSAs affects comprehension, memory, and preference
 - Designed and ran a pilot study, yielding insights on effective data communication in PSAs
 - PI: Alvitta Ottley
- 2024 **Research Assistant**, Washington University in St. Louis
- Prototyped LLM-powered tools aimed at promoting active learning and helping students reason about programming bugs
 - Conducted literature review on debugging pedagogy, tutoring practices, and AI-assisted learning
 - PI: Caitlin Kelleher

- 2023 – 2025 **Research Assistant**, Washington University in St. Louis
Sensory and Ambient Interfaces Lab
- Built iOS and Apple Watch apps in Swift/Xcode to deliver real-time haptic feedback from rowing data
 - Designed and tested mobile interfaces for usability in motion-based training
 - Contributed to qualitative research on real-time feedback systems and human-computer interaction
 - PI: Jonathan Hanahan

TEACHING EXPERIENCE

- 2026 **IN4MATX 131: Human-Computer Interaction**
Teaching Assistant, University of California, Irvine
- Instructor: Darren Denenberg
- 2024 – 2025 **CSE 132: Introduction to Computer Engineering**
Head Teaching Assistant, Washington University in St. Louis
- Managed and mentored 70+ TAs; assigned schedules, responsibilities, and ensured smooth course operations
 - Coordinated assignment and exam logistics, including rubric creation, grading workflows, and grade release
 - Collaborated with instructors to design new coursework and resolve grading disputes
 - Provided technical support on Arduino C, circuit wiring, and Assembly language to TAs and students
 - Instructor: James Orr
- 2023 – 2025 **CSE 332: Object-Oriented Software Development Laboratory**
Teaching Assistant, Washington University in St. Louis
- Assisted students in learning C++ through in-class support, studio sessions, and office hours
 - Graded assignments and provided constructive feedback to reinforce learning outcomes
 - Instructor: Jon Shidal
- 2022 – 2024 **CSE 132: Introduction to Computer Engineering**
Teaching Assistant, Washington University in St. Louis
- Supported 1,600+ students across 6 semesters through weekly office hours, in-class instruction, and exam grading
 - Taught core concepts in embedded systems, including Arduino programming and Assembly C
 - Delivered one-on-one and group support to reinforce student understanding and project success

- Instructor: James Orr

PROFESSIONAL EXPERIENCE

2022

Full-Stack Software Developer, Greenheart Partners

- Built interactive, web-based educational modules to teach communities about green energy initiatives
- Designed UI mockups and implemented full-stack features across frontend and backend systems
- Collaborated with a 10-person team, bridging communication between design and development

LANGUAGE

Fluent in English and Chinese (Mandarin)
